

# HORTNEWS

Introducing Hort News, a national publication serving the needs of our booming horticulture sector. Distributed with the leading national farming publication *Rural News*, Hort News is delivered to all key horticulture regions nationwide. It is the complete solution for readers and advertisers, covering every aspect of the wider horticulture industry – news, agribusiness, management, markets, machinery and technology.

THE FEELING'S MUTUAL.

Since 1960, we've remained true to what it means to be a mutual. For example, putting profits back into the business instead of shareholders' pockets. If that sounds good to you, ask around about us. Or better still, call us now on 0800 366 466.

We're here for the good of the country.
