Our online audience – across websites, digital publications and social media – is perfectly targeted to Rural, so ads are not wasted on urban eyeballs.

FARMER TESTIMONIAL

"Rural News isn't afraid to tell it like it is; Hitting the hard issues, not just scooting around them. Reporting the concerns of real-life farmers and asking the questions that others don't have the courage to ask. 'The Hound' section is always a favourite in our household. The only one we would choose to advertise with". – Blair and Jane Smith, North Otago
